

Mock-up construction course for children

The Department of Education of the Warsaw Ghetto Museum and Fundacja Chai organize a course on building mock-ups of selected Jewish architecture facilities for children aged 7-14

Classes – under the guidance of architects – will take place once a week on Sunday afternoon and they will last two lesson hours – two times 45 minutes each. Course duration: January–June 2020. Meeting place: Centrum Blue City [Blue City Centre].

The course programme includes a trip to Kazimierz Dolny.

After completing the course, the children will receive a certificate of completion. The course is free.

We invite children to participate in this project. We accept applications until 4 January 2020.
