On October 24, a Varsavianist walk in the footsteps of Janina Bauman took place, organized by the Warsaw Ghetto Museum. The meeting was led by Agnieszka Kuś, a tourist guide.

Two more meetings are planned by the end of the year:

- November 21: "The Small Ghetto in the Center of Warsaw."
- December 19: "The Ghetto in the Memoirs of Ludwik Hirszfeld."

Each walk will take place on Sunday, with a meeting in the courtyard of the former Bersohn and Bauman Hospital at 12:00.
