

Shabbat workshops | Jewish Culture Festival in Grodzisk Mazowiecki

A week ago, Head of the Education Department, Dr. Halina Postek, conducted Shabbat workshops as part of the Jewish Cultural Festival in Grodzisk Mazowiecki. The participants learned how to light the Shabbat candles and say the blessing over the challah, they also learned about the typical holidays menu and the song Shalom Aleichem. Thank you for hosting us!

We would like to remind you that Shabbat is one of the suggested topics for classes in the Museum's educational programme. You can find the full list at: <https://1943.pl/dzialalnosc-edukacyjna/>
